The Program Information Meeting is designed to test your knowledge after reviewing the (COM) Undergraduate Academic Advising Online website http://www.metrostate.edu/com/advising/index.html. The purpose of the PIM quiz is to give you feedback, and guide you through the policies and procedures at Metropolitan State University. The COM PIM consists of 24 questions randomly selected from a larger question bank. Questions vary in format, including multiple choice, matching, true and false. Correctly answering 80%, or 40 out of 50 points, is passing. You may re-take the quiz until you pass it.
