A. Course Description

Credits: 0

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

This course is to be used in the cohort advising model to provide students with a variety of information throughout their program. All pre-practicum information and background study information will be found here as well as other advising resources. Multiple members of SON will use this course as a communication mechanism and to collect required paperwork. The audit grade will be given after students have started their background study and pre-practicum requirements. However, the course will remain active throughout the student’s program.

B. Course Effective Dates: 08/22/2015 - Present

C. Outline of Major Content Areas:

See Course Description for major content areas.

D. Learning Outcomes (General)

None

E. Learning Outcomes (MN Transfer Curriculum)

This contains no goal areas.

G. Special Information

Fee: $55 Certified Background Profile and Background Study. Note: All nursing students in the first semester of their cohort must register for this course in their designated section.
