MnTC Goals: Goal LS - Upper Division Liberal Studies, Goal 05 - Hist/Soc/Behav Sci, Goal 09 - Ethical/Civic Resp

This course explores the contrasts and inter-relationships between three approaches to organizing our public life: democratic politics, economic markets, and the multiple associations that make up civil society. Students will investigate the basic characteristics and underlying principles of each approach and apply what they learn to an analysis of contemporary public issues. Students will evaluate the basic strengths and limits of each approach to civic engagement and public problem solving, and reflect on the ethical dimensions of their roles as citizens, consumers and members of civil society.
