MnTC Goals: Goal LS - Upper Division Liberal Studies, Goal 05 - Hist/Soc/Behav Sci

During this period in European history many commonly held ideas about humans, politics and religion were directly challenged. Students explore these new ideas, including the Renaissance, with its emphasis on humanism and secular politics; the challenges posed by the Protestant Reformation to established religious thought and practice; and the importance of the seventeenth century Scientific Revolution and eighteenth century Enlightenment. Included are conflicts between-and within-different European powers and Europe’s rapidly expanding contacts with the rest of the world.
