MnTC Goals: Goal LS - Upper Division Liberal Studies , Goal 06 - Humanities/Fine Arts , Goal 07 - Human Diversity

A majority of U.S. immigrants today come from Asia, the Middle East and Latin America. This immigration pattern represents a significant departure from the past, when immigrants came from very different regions of the world. This course traces the unique story of Asian Americans following them from their early days to modern times and analyzing issues with which the group is faced. Short videos and movies are shown followed by discussion. Significant focus is given to issues of race and racism.
