A. Course Description

Credits: 3

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: Goal LS - Upper Division Liberal Studies, Goal 05 - Hist/Soc/Behav Sci

Students gain experience in applied social science while working as an intern in a non-profit or community-based organization, the public sector, or a social action group. Prior to registering, students meet with the instructor to select their specific internship project. Students supplement their specific field experience with participation in the group internship seminar which meets five times during the semester. Through this combination of extensive community-based experience and guided reading, writing and analysis, students develop their ability to integrate social science theory with community-based experience.
