A. Course Description

Credits: 4

Lab Hours/ Weeks: 

Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

This course helps students become aware of their own attitudes and values about dying and death, and how these affect others. It investigates myths concerning dying and death, the effect of personal and cultural attitudes on a person's ability to communicate with the dying and their families, death industries, historical perspectives, and euthanasia. The course includes field trips.

B. Course Effective Dates: 12/15/2010 - Present

C. Outline of Major Content Areas:

See Course Description for major content areas.
