MnTC Goals: Goal LS - Upper Division Liberal Studies, Goal 05 - Hist/Soc/Behav Sci, Goal 09 - Ethical/Civic Resp

What is leadership? What skills and qualities make a good leader? What is the relationship between leadership, civic participation and the common good? Open to both experienced leaders and those who are just starting out, this course will explore a variety of leadership principles and approaches as well as the relationship between civic engagement and social justice. Students will investigate a variety of community participation strategies including: volunteer service, citizen organizing, electoral politics, public and non-profit boards and commissions, and community development. On-line and community resources and assignments will supplement class-room based learning. Students will be able to apply previous community experience to completion of course requirements.
