A. Course Description

Credits: 

Prerequisites: SOWK 321 Social Work Practice I

Lab Hours/ Weeks: Corequisites: SOWK 391 - Community Learning Center Practicum

Lecture Hours/ Week :

MnTC Goals: None

Faculty facilitate the learning of small groups of students assigned to the community learning center field practicum. The field seminar offers students opportunities to integrate social work knowledge, skills and values within a culturally specific context. The seminar is largely experiential and focuses on helping students apply social work theories to real-world settings. Within this group process, students develop a learning contract for the field practicum; share knowledge and experiences in the field practicum; and discuss issues and topics in social work identified within the field setting. Students are expected to share thoughts and feelings on adjusting to a professional role; and they are expected to share their awareness of human diversity as it relates to the social work profession. **Note: this is a variable credit course with credit range of 1 - 3.
