A. Course Description

Credits: 4

Corequisites: None

Lab Hours/ Weeks: 

Lecture Hours/ Week : 

MnTC Goals: None 

Current Issues and Special Topics in Disability Studies investigate the disability studies and rights perspectives of disability topics and research in depth. This is an intensive writing course in which students use critical thinking to research their own areas of interest in addition to other course materials. It is recommended that students have prior experience with disability topics and issues in addition to the desire to apply critical thinking in their research.

B. Course Effective Dates: 05/02/2012 - Present
