A. Course Description

Credits:

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

This course covers topics in economics that vary from semester to semester and that are not represented in regular course offerings within the department. Because the content of each section of this course is different, students may take this course more than once for credit. ** Note: this is a variable credit course with credit range of 2 - 4.

B. Course Effective Dates: 05/03/2017 - Present

C. Outline of Major Content Areas:

See Course Description for major content areas.

D. Learning Outcomes (General)

1. Describe and interpret the economic concepts and models specific to this offering of the course.
2. Demonstrate appropriate application of these concepts and models in solving problems and analyzing situations.
3. Demonstrate the ability to analyze and discuss writings in that subdiscipline of economics, including those published in peer-reviewed academic journals.

E. Learning Outcomes (MN Transfer Curriculum)

This contains no goal areas.

G. Special Information

None
