EDU 495 : Student Teaching in the Urban Elementary School K-6

A. Course Description

Credits: 8

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

Required culminating clinical field experience with children and a cooperating classroom teacher in an urban elementary grades (K-6) classroom for urban teacher candidates seeking elementary education licensure. Placement is for a minimum of twelve full-time weeks based on teacher candidate's Individualized Student Teaching Plan that is developed with and approved by the teacher candidate's advisor and the Field Experience Coordinator the semester prior to student teaching. Weekly reflections, periodic seminars with other student teachers, and the development of a standards-based e-folio are also required.

B. Course Effective Dates: 05/05/2008 - Present
