Metropolitan State University

PSYC 507 : Jungian: Myth, Soul and Culture

A. Course Description

Credits: 4

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

This course is for students interested in learning about Jungian psychology's study of mythology both on a general, introductory level and on a more focused level for those with some background or vocational interest. Concepts of the analytic psychology of C.G. Jung and the study of myth by such figures as Joseph Campbell are pursued to help students recognize and think in terms of mythic elements' influence on the world today.

B. Course Effective Dates: 05/01/2010 - Present
