Metropolitan State University

NURS 679P : Anesthesia Clinical Practicum II

A. Course Description

Credits: 1

Prerequisites: NURS 673P Anesthesia Clinical Practicum I

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

Course Description: This is the second in a series of six clinical practicum courses. In this practicum, students utilize didactic knowledge and psychomotor skills to augment beginning skills in assessment, planning, and implementation/delivery while being continuously monitored and mentored by licensed/certified anesthesia providers in MSA member hospitals throughout the Twin Cities. Students complete a minimum of 120 hours of supervised practicum as a student nurse anesthetist. Competence Statement: Knows the principles and practice of nurse anesthesia care well enough to assess, plan, and implement an anesthetic care plan, at an advanced beginner level, under total supervision of a licensed/certified anesthesia provider.

B. Course Effective Dates: 05/12/2019 - Present

C. Outline of Major Content Areas:

See Course Description for major content areas.

D. Learning Outcomes (General)

1. Conduct preanesthetic assessment technique.
2. Assess and carry out an anesthesia care plan.
3. Complete a room set-up for an anesthetic case.
4. Maintain a complete medical record for an anesthetic case.
5. Practice the process of anesthetic induction.
6. Practice the process of anesthetic management.
7. Practice the process of anesthetic emergence.
