A. Course Description

Credits: 0

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

Prior to entering practicum in substance use disorders (SUD) or co-occurring substance use and mental health disorders (COD) counseling, students must document readiness for clinical internship. In this workshop, participants complete necessary documentation, evaluate their self-care and support system, secure a practicum site and complete a Practicum Learning Agreement that will guide their development.

B. Course Effective Dates: 05/02/2018 - Present

C. Outline of Major Content Areas:

See Course Description for major content areas.

D. Learning Outcomes (General)

1. Documented academic readiness for clinical internship
2. Engaged in self-assessment consistent with expected standards of professionalism for counselor trainees
3. In collaboration with the practicum site supervisor, prepared a Practicum Learning Agreement that establishes clinical internship goals and activities

E. Learning Outcomes (MN Transfer Curriculum)

This contains no goal areas.
