This course expands discussions of culturally responsive pedagogy by focusing specifically on the tasks and challenges on implementation. This course examines practices, strategies, and dispositions that create an inclusive classroom environment relevant to diverse students and ways in which all students learn. Teachers engage in reflection on classroom practice that promote or obstruct equal access to academic success. This means communicating with students in culturally consistent ways, developing a caring classroom environment, and working with families and communities. Classroom reaching will be examined from a culturally responsive perspective. This course aligns with the State of Minnesota policies and approaches that education be culturally responsive.
