A. Course Description

Credits:

Prerequisites: HSCD 681 Practicum I

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

This series continues the practicum program begun in HSCD 681, and fosters greater independence in utilizing the advanced knowledge and skills acquired during their academic coursework. Students continue under site and faculty supervision as they take on advanced intern-level duties in clinical or community-based settings. Field placements allow students to complete the internship hours required for licensure as both alcohol and drug counselors and professional counselors in Minnesota, while obtaining essential mentorship and networking for employment in the field following completion of graduate studies. The classroom portion of the course allows students to review and critically analyze counseling style, anti-oppressive practice, ethical issues and the practicum setting. ** Note: this is a variable credit course with credit range of 1 - 2.

B. Course Effective Dates: 01/09/2017 - Present
