A. Course Description

Credits: 4

Lab Hours/ Weeks: Corequisites: None
Lecture Hours/ Week :

MnTC Goals: None

Rhetorical theory can be loosely defined as the theory of effective communication. This course begins with a review of key figures and texts in the history of Western rhetoric, while also introducing some non-Western rhetorical traditions. It then turns to more contemporary issues, including the rhetoric of visual messages and electronic media, feminist rhetoric, and the politics of technical rhetoric. Questions addressed include: What is the relationship of rhetoric to morality? What are the social and political constraints on any rhetorical act?

B. Course Effective Dates: 12/17/2006 - 05/05/2015 05/06/2015 - Present

C. Outline of Major Content Areas:

See Course Description for major content areas.
