A. Course Description

Credits: 3

Lab Hours/ Weeks: 
Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

This course will provide early career teachers who are within their first five years of teaching support in creating work/life balance, instructional strategies, classroom management, building relationships with students, families and colleagues, cultural awareness and understanding the roles of building professionals. Participants will discover many ways to cultivate their resiliency. Through panel discussions, collegial support and coaching, participants will learn strategies to refuel, reenergize and reframe their passion for teaching and student success.

B. Course Effective Dates: 05/12/2019 - 12/16/2019

C. Outline of Major Content Areas:
