A. Course Description

Credits: 3

Prerequisites: NURS 760 DNP Scholarship II

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

This course focuses on the evaluation of a clinical scholarship project designed to improve health outcomes of a defined population. Students will evaluate the entire project process, present a plan for project sustainability, and reflect on his/her role leading the project. Students must successfully present the clinical scholarship project and develop a plan for dissemination of the findings. Students will accrue 100 clinical hours related to the clinical scholarship project. Competence Statement: Knows concepts of project management well enough to evaluate and present the clinical scholarship project.

B. Course Effective Dates: 05/10/2014 - Present
