A. Course Description

Credits:

Lab Hours/ Weeks: Corequisites: None

Lecture Hours/ Week :

MnTC Goals: None

This course is to be used for registration while the DNP student is actively working with a clinical scholarship instructor/capstone project advisor. The student and faculty member negotiate the number of credits to be completed and the specific course outcomes and requirements to be satisfied. The course allows continuing enrollment for clinical scholarship study when not registered for other clinical scholarship courses. ** Note: this is a variable credit course with credit range of 1 - 3.

B. Course Effective Dates: 05/04/2010 - Present

C. Outline of Major Content Areas:

See Course Description for major content areas.

D. Learning Outcomes (General)

1. Students will contract with the clinical scholarship/capstone project advisor to complete the appropriate phase of the clinical scholarship project during the time of enrollment. The course outcome(s) and course assignment(s) will be negotiated between the student and the faculty member.

E. Learning Outcomes (MN Transfer Curriculum)

This contains no goal areas.

G. Special Information

Prerequisites: Permission of Capstone Project Advisor.
